

10 REASONS WHY HOMEOWNERS HIRE SIGNATURE ROOFING

1 LOCAL SMALL BUSINESS

We are a tax paying local business that has a current business license in your city. We have been roofing residential homes in the San Mateo and Santa Clara County since 1993. We believe in giving back to the community we serve by donating to local nonprofits. Last year our donations to Second Harvest Food Bank helped provide over 15,000 meals to families in our area.

2 CUSTOMER ORIENTED

A new roof is a significant investment in your home. We believe in educating our customers to be a more informed consumer, as well as making the roofing process as easy as possible for you. We provide a comprehensive re-roof quote and only ask for a small \$100 deposit at signup. We obtain the Building Permit and schedule all necessary inspections for you.

3 THOROUGH CLEANUP PROCESS

Re-roofing can be a messy process. That's why we have a dedicated cleanup crew to keep things tidy, including tarping the interior of your garage when needed. At completion we use a magnet for nails and conduct a thorough cleanup of debris on your property. Customers often comment how impressed they are with our cleanup process.

4 EXCELLENT VALUE

We don't cut corners. We use only the highest quality materials when installing your roof to ensure the longest lasting roof possible. With our non-commissioned estimators offering fair pricing, and our efficient re-roof process, you will be satisfied knowing that your new roof will add to the value and aesthetics of your home for many years to come.

5 QUALITY WORKMANSHIP

Our full time roofers take pride in doing a good job and having happy customers. Many customers compliment us on how nice, hardworking and happy our roofers are- we've been told our crews are keepers and to treat them well. We value our experienced roofers and are confident you will be satisfied with the quality of their work.

6 PROFESSIONALISM

We've had a valid Contractor's License for 25 years. We maintain our Workers' Compensation & Liability Insurance. We always obtain a building permit for every job. Our estimators are available and responsive to answer all of your questions and address any concerns you have.

7 LONG-TERM REPUTATION

With over 5,000 roofs installed, we strive to maintain the unparalleled reputation we have worked hard to build. Our dedication to keeping our customers satisfied is reflected in the reviews homeowners leave on platforms such as Yelp, Angie's List and Nextdoor. Since 1993 we have had a complaint free A+ rating with the BBB.

8 COMMUNICATION

Most common feedback from our customers includes how they appreciate our Production Manager contacting them on a daily basis throughout their re-roof to keep them updated on the status and schedule of work. Our system of communication with you and our crews makes sure your project is completed in a high quality and efficient manner, while making sure your specific needs are met.

9 SPECIALIZED IN ASPHALT SHINGLES

Asphalt shingles are among the most durable and longest lasting roofing products in the industry. Because we exclusively install asphalt shingles, we maintain an enhanced standard of quality control. Our Field Supervisor pre-sites all upcoming re-roofs, and completes a post installation quality control inspection.

10 WARRANTY

In addition to the manufacturer's warranty, our 10-year workmanship warranty has got you covered. On the back of every contract, we use easy to understand language. We try to go above and beyond for our customers because we value your business. It is not uncommon for us to assist our customers after the expired warranty period. Most workmanship-related issues after 10 years are minor and many times we've taken care of them for free when homeowners were sure they would be charged.
